The club would like to thank all Landowners, Civil authorities and Individuals who help organise the event creating one of the best classic Cotswold trials to be enjoyed each year.

This year's charity is the West Midlands Air Ambulance. We will be collecting for them at the halfway point at Break heart Quarry.

Trials events are a problem solving competition not a speed event. All competitors will respect other users on rights of ways and paths. Walkers, horse riders etc. **MUST** be given priority. The club thanks riders and spectators for their cooperation during this event.
